

Elmdene Re-cycling Policy for Industrial Batteries

As a producer of industrial batteries under the Waste Batteries and Accumulators Regulations 2009, we Elmdene International Limited produce Ni – Cd and Ni - MH button cell batteries. We are obliged to collect, free of charge and within a reasonable time, waste industrial batteries supplied to an end user, for treatment and recycling. We are required to do this in any calendar year we place new industrial batteries on the market.

If any of our customers require us to take back Industrial batteries, they should contact us at sales@elmdene.co.uk. We will agree the necessary arrangements for the return, proper treatment and recycling of, the waste industrial batteries.
